

## **Sporting Achievement Awards 2007**

**It was a good night for Guernsey's three time world touring car Champion at the Garenne Groups Sporting Achievement Awards as Andy Priaulx not only picked up the main award of the night but was inducted into the Sporting Hall of Fame.**

World Touring Car Champion Andy Priaulx added two more honours to his already substantial list at this years Garenne Group Sporting Achievement Awards as he became the 13th person inducted into the Sporting Hero Hall of Fame and was awarded the Guernsey Sports Commission Trophy for outstanding performer of the year.

Priaulx said it was entering the hall of fame which gave him the most pride. His face now adorns the wall at Beau Sejour and he said it will undoubtedly embarrass his children when they use the centre.

As well as Andy Priaulx Guernsey's Heather Watson picked up the Lambourne shield for outstanding individual achievement for 11 to 18 year olds.

The young tennis star picked up the Channel Island young sports personality of the year award the previous week and she said it's all been a bit of a blur.
